

<p>Title: Using technology at school and at home / Stranger Danger including Online  Subject: Computing</p>	<p>Year: 1  Duration: 1 week</p>	
Teaching Ideas	Programs	National Curriculum Objectives
<p>Introduction to using technology – what different types of technology do they have in their own home? What do they use it for? What do their siblings/parents etc use technology for? (inclu tvs and networks, recording devices, music/radio, computers, internet, tablets, mobile phone devices, digital cameras and video recorders). Pupils could carry out a class survey of technology they have at school and at home. Pupils could explore different types of technology in a carousel and present basic uses.</p> <p>Discuss the internet - who has used the internet? What have you used it for both in school and at home? What do you like doing on the internet? (e.g. playing games, watching cartoons). Do you have any rules at home about going on the internet?</p> <p>Teach children about ‘Stranger Danger’. What would children do in ‘real life’ if they met someone they did not know. Children could write their own set of rules or create a ‘Stranger Danger’ video giving advice to other children.</p> <p>Teach children about online ‘stranger danger’. Pupils could watch Faux Paw Adventures in the Internet (<a href="http://www/ikeepsafe.org">http://www/ikeepsafe.org</a>) and use the PDF Big Book to read the story. They could create their own Big Book version of the story.</p> <p>Explore the use of passwords/logons (at school/home) and who we can safely share this information with. Hector’s World – episode theatre – Your Personal Information Online series could be watched to explore basic uses of internet and keeping personal information safe online.</p> <p>Discuss what children should do if they see any information / images on line which make them feel uncomfortable. Pupils could write their own set of safety rules for using the internet safely. You could introduce use of Hector safety button (download from <a href="http://www.microsoft.com/nz/athome/security/children/hector.msp">http://www.microsoft.com/nz/athome/security/children/hector.msp</a> )</p> <p>LITERACY UNITS:  Stories with familiar settings</p>	<p>iKeepSafe.org – Faux Paws Adventures in the Internet</p> <p>Hector’s World – <a href="http://www.hectorsworld.com">http://www.hectorsworld.com</a> or access through <a href="http://www.thinkuknow.co.uk">www.thinkuknow.co.uk</a></p>	<ul style="list-style-type: none"> <li>• Recognise common uses of information technology beyond school</li> <li>• Use technology safely and respectfully, keeping personal information private</li> <li>• Identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies</li> </ul>
