Friday 15<sup>th</sup> March 2019

Dear Families,  
Another busy week at West Meadows, the type that we enjoy, has seen some more beautiful work across school. Miss Steele, Mr. Ormondroyd and myself have been consumed by the Arts this week. After attending a fabulous training day in Doncaster, we were invited to share our Arts journey by speaking to leaders and teachers from all around the borough. It was a joy to share our work and the school has been mentioned widely across the authority thanks to the opportunities that we offer to our wonderful and deserving children. It was yet another of those times where the pride I feel in serving our #WonderfulCommunity is hard to put in to words; a privilege for sure.

Still with The Arts and Art itself, we hosted our Year 3 friends and families for a Monet magic art and painting morning. It was amazing to see the hall so packed with such skillful and dare I say quiet painters. The work produced was simply stunning - be sure to catch it next week at the Year 3 Gallery! I must also take this opportunity to wish Mrs. Walton a successful operation next Friday and the speediest recovery possible. We'll miss you.

We hosted the local Deputy Headteachers and Assistant Headteachers this week for their regular training meeting. This was very successful for West Meadows and we received some very positive feedback about school and most importantly, the superb behaviour and manners of the children.

It is Key stage 1 Gymnastics today. Good luck to everyone involved. Miss Grange and her support team will be cheering us on. A lovely opportunity. Thank you to everyone for your participation in Comic Relief/ Red Nose Day. The children look great in red and every penny raised will help someone who may not be as fortunate as ourselves, a key lifelong lesson.

I wish everyone a wonderful weekend, I think if Ireland win in Cardiff, Mrs. Evans and Mrs. McCormack may return to their English roots!

### Health Matters

As can be seen, the dreaded sickness bug affected many class attendance figures last week. I must politely remind you that children should not return to school until after 48 hours of a sickness 'episode.' May I kindly ask all children to bring a NAMED water bottle to school too please? We have decided to remove the plastic cups from classroom situations.
