

Welcome to year 4

Aim high, Succeed and be happy!

I hope you have had a lovely summer and I am sure you are now ready to start the new school year, so welcome to year 4!

Meet the team...

My name is Mrs Walton and I am the year 4 class teacher. Mrs Hannaghan and Mrs Dewson are the teaching Assistants and will be working with individuals and groups of children throughout the year.

Reading in year 4...

Reading with your child as often as possible is very beneficial, around 10 minutes every day. It would be helpful if you could record the pages your child has read in their reading record book. We have random prize draws throughout the week and if your child has read the night before, they have a chance of winning a prize. To be in with a chance of winning, a grown up must have signed the reading record book the night before. Children should change their book during Wake up Brain time.

Homework.

Spelling Homework will be sent out on a Monday evening. Children are expected to practise spellings by writing them out. It would also be beneficial for your child to put the spellings into sentences. This will help with sentence structure and the use of punctuation.

Homework will also be sent out on a Monday and should be returned Friday morning of the same week. The Homework will be linked to either literacy, maths or topic work.

Thank you in advance for your support in this area.

General Information...

The children will be participating in **PE** on **Tuesday** and **Wednesday**. Please ensure your child has their full PE kit in school and that all items are clearly labelled. Children must have appropriate footwear, either trainers or pumps. For health and safety reasons your child should not wear any jewellery on these days, especially earrings.

If you have any questions about this year, or would just like to come and introduce yourself, then please do not hesitate. I am happy to help on any matter big or small!

Thank you

Mrs Walton (Miss Crossland)
