

West Meadows Primary School

Anti-bullying Code

All children in West Meadows have the right to enjoy their learning and play in safety.

Our school will not put up with any mean behaviour or words, even if these were not meant to hurt.

Any unkind action or words will be called bullying.

Children should stick up for each other by telling someone about any bullying.

Bullying will be taken seriously.

We are a "telling school" - bullying is too important not to tell.

Treat everybody with the same respect
