

Sport Premium Overview

At West Meadows Primary School we believe PE & Sport play an important role in the overall development of our children, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2013. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Total no of primary aged pupils between the ages of 5-11(Jan 2013)	210
Total amount of Sport Premium Grant received	£9, 050

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DFE June 2013).

At West Meadows Primary School we have allocated funding to the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

Physical Education:		
Raising standards of all our children in Physical education		
Objectives	Actions	Outcomes
To increase teaching staffs' subject knowledge and confidence in PE.	Provide staff training through shared delivery of PE with sports leader CPD led by sports leader to ensure planning of PE is high quality. Entry and exit tasks are used consistently to assess progress and standards in PE	Staff delivering high quality PE lessons High quality planning supports delivery of PE throughout school. Standards and progress in PE are assessed across school. -

Healthy Active Lifestyles:

Ensuring all our children have access to regular exercise

Objectives	Actions	Outcomes
To increase activity levels of children at break and lunchtimes	<p>Lunchtime supervisors undertake a planned training course over 4 sessions- primary focus sport/games delivery and engagement</p> <p>Lunchtime supervisors are responsible for supervision of set areas and the running of activities within that area</p> <p>Sports leader to deliver, on rotation, a series of planned physical activities at break and lunchtime.</p>	<p>Children are more actively engaged in physical activity at break and lunchtimes</p> <p>Children are engaged in physical activity.</p> <p>Children are engaged in physical activity. Children experience a range of physical activities.</p>
To increase, motivate and encourage participation in a wider range of planned physical activity	To purchase motivational days for whole school to participate in planned exercise sessions.	<p>Children enjoy and engage in physical activity.</p> <p>Staff trained to use a range of strategies in order to further engage children in exercise sessions.</p>

Competitive School Sport:

Increasing pupils' participation in extra- curricular sport

Objectives	Actions	Outcomes
To increase the amount of competitive sport opportunities for pupils	<p>External Sports Coaches employed to run after school provision which closely links to the planned programme of inter school competitions within the locality and planned Trust events.</p> <p>Subject leader and sports leader to attend locality planning sessions to support and develop locality competition programme.</p>	<p>West Meadows Primary School is represented in all locality sports events.</p> <p>West Meadows Primary School is represented in all Trust sports events.</p> <p>A comprehensive sporting calendar is in place within the locality.</p>
To increase the range of competitive sport opportunities for pupils	<p>Audit and review of equipment available.</p> <p>Purchase of resources to enable the teaching of a wider range of sports activities to increase amount of competitive sport.</p>	The long term planning grid for sports competitions generates additional sports provision to teach skills needed for participation in locality competitive sports competitions.
