Comments (In order of Questionnaire Number)

I'm very happy with West Meadows in the care that they give my 2 children. They have been brilliant and I can't fault anything. Keep up the brilliant work West Meadows.

Really happy about Twitter Introduction – I think it's great

Our children are very happy at West Meadows

My children have settled in very well and feel safe and happy at school.

Happy with the school

Both children have settled well and are developing well and enjoying the new daily challenges

West Meadows is a fantastic school and my son loves it. The teachers (including the HT) and all workers are brilliant and very helpful. Lovely school. I love the Twitter feeds

Not sure about punishing the whole class as a result of one child misbehaving. This needs to be communicated as the good children are confused.

Xxxx really enjoys school and playing with all her friends

Staff helpful & friendly

My child is only in F2 so she is not receiving any homework and there is no extra activities

After school provisions need to be improved for working parents

Unsure about Twitter as it isn't something I use

My child loves being at West Meadows School. She loves the staff and enjoys all the after school clubs

I have 4 children within the school who I feel are supported and encouraged daily

I am so pleased how xxxx has come on and settled and adapted to school and wanting to learn. Same for my son.....

Texts which are sent in a morning which relate to that day could do with being sent slightly earlier (I'm usually on the way to work or at work when I receive them) or maybe the night before

I'm very proud of this school, teachers & community. Thank you

Too much homework

Very happy with the staff at West Meadows
