Look at the pictures of the witch and think of some adjectives to describe her.

The witch has a yucky nose and it is pointy.  
 The witch looks nasty because she is not nice.  
 She is very very lonely but she found Jub.  
 Her teeth are disgustingly yellow because she hasn't brushed them.  
 And disgusting black hat on her white hair.

How to keep safe on firework night.

Wear gloves to protect yourself.

Keep a safe distance from the fireworks

Don't set fireworks off without help from an adult

Stay safe and listen to the adults

Stay safe with your friends and have fun.

Columbus was a famous explorer in 1492, Columbus sailed from Europe to North America across the Atlantic not knowing where. Him and his crew would land. Columbus did not Discover America, but he started regular contact between Europe and America. Columbus was born in Italy, his father was a wool merchant, his first sail was when he was 13. Columbus learned to sail a wooden ship. He learnt to sail at sea with the stars and sun. He had a dream of going west to China. The king and queen of Spain gave him money to buy ships so he set sail in August 1492. Columbus used a compass to find his way. After 36 days of seeing no land they start running out of water and food one man spotted the bahamas Columbus sailed to Cuba and found new islands which they called the new world. In 1502 Columbus sailed to America still trying to get to China.

The witch is ugly and terrifying. The witch has crinkly, long fingers and bushy white hair. The witch lives in a scary dark tree, with loads of twigs and bones. The witch has very dark red eyes and a black long hat. Her teeth are as spiky as needles and very yellow.
