

Daily maths session

Every day do a maths session using the format below.

- **First can you count to 100 pretend you have your flipper flappers you could use two towels.** If you click on this link you will see a video of flipper flappers
<https://www.youtube.com/watch?v=d01Gy05eQp0>
- **Can you count to 20 in 2's**
- **Can you count to 100 in 10's**
- **Can you count to 50 in 5's**
- **Now its time to recognise your numbers. Use the number cards Miss Jobling sent home last term or make your own by cutting up paper and writing the numbers 1-20 on them. Can you muddle them up and ask your grown up to show/flash the numbers and you say them? Or you can use the hundred square to find different numbers your grown up says.**
- **Can you put the numbers in the tight order from 1-20.**

- **Can your grown up write you 5 add sums and you use counters or pennies or sweets or grapes or anything else to find the answer?**

For example

$$7 + 5 =$$

$$8 + 6 =$$

$$4 + 9 =$$

$$5 + 4 =$$

$$10 + 8 =$$

- **Can you count a group of toys touching each one and tell your grown up how many there are ? 1:1 counting**

- Can your grown up write you 5 take away sums and you use counters or pennies or sweets or grapes or anything else to find the answer?

For example

$$12 - 6 =$$

$$8 - 4 =$$

$$15 - 6 =$$

$$10 - 5 =$$

$$18 - 9 =$$

- Can you finish by saying 1 more and 1 less than what ever number your grown up says.

The link below gives a 2-week learning plan with lessons for every day. Lots of math's fun

Numbers 1-20 Board

 I have	1	2	3	4	5
6	7	8	9	10	11
12	13	14	15	16	17
18	19	20	0		

100 Square

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
