	Maths	English	Foundation
Day 1	https://www.bbc.co.uk/bitesize/articles/zbvkwty Today's Maths is a refresher on multiplying and dividing by 10, 100 and 1000. Before you start, think about the following questions: Can you create a place value chart? How can this help you to divide and multiply by 10, 100 and 1000?	https://www.bbc.co.uk/bitesize/articles/z6g98xs Following on from last week's work on parenthesis, today's English will ask you to think back to your work on relative clauses. Before you start, think about: What is a clause? How do we know when a new clause begins?	https://classroom.thenational.academy/lessons/why-did-the-usa-and-the-ussr-enter-a-cold-war After the end of World War Two, the world found itself split in along eastern and western lines. Today's history lesson will examine this period of history and how this era, known as the Cold War, came to be.
Day 2	https://www.bbc.co.uk/bitesize/articles/zhfj2sg Today's Maths is all about multiplying decimal numbers. Before you start: When should we use the column method? When should we use a place value chart?	https://www.bbc.co.uk/bitesize/articles/zbd7mfr Today's English is all about personification. Before you start: Break down the word 'personification'. From this, what do you think personification is? Think of an example.	https://classroom.thenational.academy/lessons/how-successful-was-the-policy-of-peaceful-co-existence Despite being a "Cold" War, the world nearly erupted in to deadly conflict on several occasions. Today's history lesson examines a few of these dangerous moments in world history.
Day 3	https://www.bbc.co.uk/bitesize/articles/zmbxhbk Following on from yesterday, today's Maths will ask you to divide decimal numbers. Before you start, practice the bus stop method.	https://www.bbc.co.uk/bitesize/articles/zvmw7nb Following on from the work you have done earlier in the week, we are thinking today about complex sentences.	https://classroom.thenational.academy/lessons/why-did-the-ussr-and-communism-collapse-in-eastern-europe Today's history lesson concludes your learning on the Cold War by asking: how did it all end?
