Our 2021-2022 School Council

What are our goals as the school council?

- To share the ideas of all children about how we can make our school even better.*
- To ensure that we are keeping our school a kind and caring place to be.*
- To think of ways we can help pupils to learn to the best of their ability.*
- To enable all children to #aimhighsucceedbehappy*

What are some initial ideas for how we can improve our school?

- *Use the Wild Walk more.* Our children love the Wild Walk and it would be really good if we could find a way to use the Wild Walk more in lessons and at playtime.
- *Get more equipment to use on the playground at playtime.* Equipment such as skipping ropes, hula hoops and more would be a good way to help children enjoy playtime even more.
- *Replace older equipment to ensure all children are safe and can enjoy their playtimes.*
- *Get some music equipment on the playground, as children love music and would like the chance to play music at playtime.*
- *More ICT time.* The children love going to the ICT suite and using technology to help their learning. Getting more time for ICT would help children to enjoy their learning more.
- *Bring back the reading jar!* Our children love reading and it would be nice to be rewarded for the reading they are doing at home.
- *Nominate tidy monitors for the school who can help our school to be tidy and presentable.* We are proud of our school and want it to look the best it can!

Do we have any ideas for how we can raise funds?

- More non uniform days.
- Enterprise initiatives to raise money (such as the Christmas Fair, washing cars in the car park under adult supervision)
- Doing a sponsored walk on school grounds

Halloween Party

On 22nd October, West Meadows will be hosting a Halloween Party to raise funds for school! Our School Council created a poster to raise awareness of the event around school.
