

We're Going on a Bear Hunt

Home Learning Challenge

Can you think of a different sound the family might make in the bear hunt? What sound do you think they would make if they went along a beach?

Draw a picture of your favourite teddy bear.

Teach someone in your family the 'Round and Round the Garden' rhyme that we have been learning at nursery. Are they ticklish?

Find out a fact about real life bears that you can share with us. You could get an adult to write it down for you to help you remember.
