

For anyone who is looking for extra work on top of what is being planned weekly please look at the website for some good ideas.

<https://www.thenational.academy/>

- Click on find lessons
- Click on Year 2
- Click on schedule
- Choose any of the lessons on there. They are split into maths, literacy, foundation and PE subjects.

Other things to continue to do:

- Practise timestables and division facts

<https://www.topmarks.co.uk/maths-games/hit-the-button>

- Practise spelling Year 2 common exceptions words

Year 2 Common Exception Words									
door	child	cold	pretty	grass	improve	whole	half		
floor	children	gold	beautiful	pass	sure	any	money		
poor	wild	hold	after	plant	sugar	many	Mr		
because	climb	told	fast	path	eye	clothes	Mrs		
find	most	every	last	bath	could	busy	parents		
kind	only	great	past	hour	should	people	Christmas		
mind	both	break	father	move	would	water	everybody		
behind	old	steak	class	prove	who	again	even		

- Read daily with your child

For more creative ideas look at this website. There are some easy and fun science experiments which can be done at home.

<https://www.science-sparks.com/>

Baking is a great activity to do too – look at weighing ingredients as a maths lesson and then ask your child to write up the instructions for how to make it as your literacy lesson. Fun and educational and you get to eat all the yummy baking at the end of it too.
