

# Foundation Stage 1

## Home learning

#AimHighSucceedBeHappy

### Our story this week

#### **Choose your favourite story**

- Read/share/listen to the story together
- Can you tell a grown up what happens in the story?
- What is your favourite part?
- Can you make a story map of the story?

My favourite story is: The Tiger who came for tea.

For this book I would:

- Have a tea party with my toys
- Make stick puppets of the characters
- Make a tiger mask
- Sort all the tins and packets in the cupboard by size/shape/weight
- Practice capacity by filling containers with water (full, empty, half full, fullest)
- Act out being a tiger - can I prowl like one?
- Have a role play cafe

What will you choose to make and do about your favourite book?

## Maths – Number blocks

<https://www.bbc.co.uk/cbeebies/shows/numberblocks>

Who is your favourite?

Choose a number and explore all about him.

- How blocks is he made from?
- Find items which could live in his number land?
- What shape could live in his land? (3=triangle, 4 =square)
- Can you find the numeral around you home? How can you spot?
- Can you count to that number?
- What happens if you add more or take some away from the number?
- Can you make him? (playdough, boxes, coloured paper, paint)

If children are confident with using numbers 1 to 10, move onto higher numbers.

## Ready for September

Can you practice the following? If your child is able to do the following it will help them be more independent in September for full time school.

- Putting on your own coat
- Putting on your own shoes
- Using the toilet on your own
- Washing your own hands
- Using a knife and fork
- Using a cup to drink from
- Carrying a tray (this helps with lunchtimes)
- Opening packets in lunchboxes
- Writing your name (full name if you can)
- Know where you live
- Know your birthday
- Know how old you are
