

# Year 6 Planning

Week commencing 22<sup>nd</sup> June 2020.

#AimHighSucceedBeHappy

	Maths	English	Foundation
Day 1	<p><a href="https://classroom.thenational.academy/lessons/to-describe-coordinate-positions-on-a-grid">https://classroom.thenational.academy/lessons/to-describe-coordinate-positions-on-a-grid</a></p> <p>In Today's Maths, you'll be learning all about coordinates upon a grid in a recap of earlier learning.</p> <p><b>Before you start:</b>            What is an axis?            Can you name the axes?            What does each one mean?</p>	<p><a href="https://classroom.thenational.academy/lessons/writing-focus-identify-the-key-features-9b040a">https://classroom.thenational.academy/lessons/writing-focus-identify-the-key-features-9b040a</a></p> <p>This week in English, you'll be focusing on poetry.</p> <p><b>Before you start:</b>            What is a poem?            Do you know any poems?            Your favourite song – the lyrics to a song are more or less a poem which is sung!</p>	<p><a href="https://classroom.thenational.academy/lessons/do-you-want-to-be-a-hero-0ccf91">https://classroom.thenational.academy/lessons/do-you-want-to-be-a-hero-0ccf91</a></p> <p>Today's foundation learning will be PSHE.</p> <p>You will look at some of the vital, crucial jobs that those who work in the NHS do for us all. It's so important to appreciate our NHS – now more than ever!</p>
Day 2	<p><a href="https://classroom.thenational.academy/lessons/to-translate-simple-shapes">https://classroom.thenational.academy/lessons/to-translate-simple-shapes</a></p> <p>Today's Maths is all about translating shapes.</p> <p><b>Before you start:</b>            What does translation mean?            How could this be applied to Maths?</p>	<p><a href="https://classroom.thenational.academy/lessons/writing-focus-planning-including-rhyme-and-archaic-language">https://classroom.thenational.academy/lessons/writing-focus-planning-including-rhyme-and-archaic-language</a></p> <p>Today's focus is rhyme and 'archaic' language.</p> <p><b>Before you start:</b>            Look again at your favourite song and identify the rhyming words.</p>	<p><a href="https://classroom.thenational.academy/lessons/black-lives-matter-ffb071">https://classroom.thenational.academy/lessons/black-lives-matter-ffb071</a></p> <p>Continuing with our PSHE, we will look today at the Black Lives Matter movement, gaining an understanding of the reasons for it and the lessons we can learn to build a better future for all.</p>
Day 3	<p><a href="https://classroom.thenational.academy/lessons/to-reflect-simple-shapes">https://classroom.thenational.academy/lessons/to-reflect-simple-shapes</a></p> <p>Today's maths is all about reflecting shapes.</p> <p><b>Before you start:</b>            Think about the word 'reflection', and what you think about when you hear the word. What do you notice about your own reflection when you raise your hand, for example?</p>	<p><a href="https://classroom.thenational.academy/lessons/writing-focus-write-a-poem">https://classroom.thenational.academy/lessons/writing-focus-write-a-poem</a></p> <p>Today you'll have a go at writing a poem.</p> <p>If this doesn't seem all that appealing, think of it more as writing the words to a song.</p> <p>Maybe one day you'll write a number one hit!</p>	<p><a href="https://classroom.thenational.academy/lessons/juan-miro-and-automatic-drawing-1459cb">https://classroom.thenational.academy/lessons/juan-miro-and-automatic-drawing-1459cb</a></p> <p>We will finish the week again with a little bit of art. This week it's all about abstract art. Why not do a little bit of research first to understand what abstract art is?</p>
