

# Year 6 Planning

Week commencing 13<sup>th</sup> July 2020.

#AimHighSucceedBeHappy

	Maths	English	Foundation
Day 1	<a href="https://classroom.thenational.academy/lessons/understand-percentages">https://classroom.thenational.academy/lessons/understand-percentages</a> In today's Maths, you'll learn all about percentages – what they are and how they work.  <b>Before you start:</b> Can you remember the link between percentages and fractions? Think of some examples.	<a href="https://classroom.thenational.academy/lessons/writing-focus-identify-the-key-features-50c98d">https://classroom.thenational.academy/lessons/writing-focus-identify-the-key-features-50c98d</a> This week's writing focus will be biographies. <b>Before you start:</b> Think of a famous person you'd like to know more about. What, specifically, would you like to know about them?	<a href="https://classroom.thenational.academy/lessons/where-are-all-the-people">https://classroom.thenational.academy/lessons/where-are-all-the-people</a> Today's foundation learning will be Geography.  You'll look at the problem of the global population, starting with the simple question 'where are all the people?'
Day 2	<a href="https://classroom.thenational.academy/lessons/equivalences-between-fdp">https://classroom.thenational.academy/lessons/equivalences-between-fdp</a> Today's Maths is all about equivalent Fractions, Decimals and Percentages. <b>Before you start:</b> What does 'equivalent' mean? Can you think of any examples of an equivalent fraction, decimal or percentage?	<a href="https://classroom.thenational.academy/lessons/writing-focus-cohesive-devices">https://classroom.thenational.academy/lessons/writing-focus-cohesive-devices</a> Today's Writing is all about Cohesive Devices – the words or phrases that make a text flow nicely. <b>Before you start:</b> What is a cohesive device? Open a page in any book. Can you spot any?	<a href="https://classroom.thenational.academy/lessons/what-challenges-can-a-growing-population-present">https://classroom.thenational.academy/lessons/what-challenges-can-a-growing-population-present</a> Continuing with Geography today, you'll take a look at the problems that a growing population can and will pose humanity in the future.
Day 3	<a href="https://classroom.thenational.academy/lessons/problems-with-percentages-of-amounts">https://classroom.thenational.academy/lessons/problems-with-percentages-of-amounts</a> Today's maths is about percentages of amounts. <b>Before you start:</b> Can you think of an easy way to find 50% of a number? How about 25%, or 10%?	<a href="https://classroom.thenational.academy/lessons/writing-focus-write-a-biography">https://classroom.thenational.academy/lessons/writing-focus-write-a-biography</a> Today you'll have a go at writing a biography. Good luck!	<a href="https://classroom.thenational.academy/lessons/the-circle-challenge-f2c8c2">https://classroom.thenational.academy/lessons/the-circle-challenge-f2c8c2</a> As usual, an artistic lesson for your final lesson of the week. Today, it's the 'circle challenge'.
