

## West Meadows Primary School

Readiness for F2  
Maths

### Statement

I can recognise the numbers 1 to 5.

Ideas to help your child at home...

- ◆ Use the number names as much as possible with your child.
- ◆ When you are out and about, point out numbers to your child, 'look, number one on the door!'
- ◆ Let your child press the TV number for the channel that they want.
- ◆ Let your child press the numbers on the phone, tablet, computer and say the number as they press it.
- ◆ Use Number Blocks to explore each number- then set your child challenges to find the number and things which can live in the number land.
- ◆ Number hunt—around the home, in the garden, in books
