

**6. What support is available for improving the social, emotional and mental health of children with SEND?**

Children are well supported by:

- A clear anti-bullying policy that is supported by all staff
- Staff who have received specific training (thrive) around this area of need (Social, Emotional and Mental Health)
- Targeted support for individual children (group and 1:1), e.g. Thrive, Learning Mentor Time, Lego therapy, Talking and Drawing, Blob People.
- Recognition of the importance of pupil voice (e.g. through school council, weekly philosophy sessions)
- A curriculum that reflects the importance of developing pupils' awareness of their own social, emotional and mental health and their impact on the social, emotional and mental health of others
- The use of Philosophy for Children (P4C)
