Additional comments-		
<i>I like doing maths, I especially love the times table grid.</i>		
<i>I love seeing my friends and teachers because they are wonderful</i>		
<i>I like receiving Marvellous Me messages as my mum does not have Twitter.</i>		
<i>I think the teachers at this school are kind as they repeat the question to me when I don't understand.</i>		

115 questionnaires were handed in by KS2 students.

Overall, the questionnaires were very positive. All children in KS2 enjoy school, feel safe in school and know that the adults in school care for them. In addition, all children feel that they learn a lot in school and feel that lessons are challenging.

The few negative responses were mainly centered on the use of Twitter and Marvellous Me messages. In discussion with pupils, some pupils said that their parents did not have Twitter

or the Marvellous Me app and this was the reason for their negative response. One child said that although he often had his work on Twitter, his mum did not use this.

Moving forward we will resend passwords for Marvellous Me and encourage parents to use Twitter as a way of communicating with school on our West Meadows Weekly.
