Friday 17<sup>th</sup> May 2019

Dear Families,  
 What a week at West Meadows! The Key Stage 2 SATs have been and gone and the effort, perseverance, determination that the Year 6 showed was truly amazing and inspirational. They are an absolute credit to our #WonderfulCommunity and every single person in school is so proud of them thanks to their sterling efforts. The end of the week has featured a photography workshop session, they are having a great time working with Gavin Joynt. Next week is the Academy Leavers' Trip to see Annie in the beautiful city of Nottingham. This will be a great experience for all of them and I can't wait to enjoy such a special occasion with such deserving young people.  
 This week saw the launch of our Girls in Sport pledge with the educators at Totally Runable. This is designed to promote a love of all sport within girls that will last with them for life. It is very interesting to see/ hear perceptions of 'girls' games and 'boys' games. This is a perfect time to back this drive as England are highly ranked in all of 'our' major sports, standing a great chance at the FIFA World Cup this summer! 'Come on England!'  
 A very busy Friday has seen F2 & Y6 Height & Weight checks and the week finished with a live concert and a football tournament happening simultaneously! Always plenty of excitement at West Meadows!  
 I have enclosed the Sports Day arrangements with this week's news. We are excited to bring the Sports' Days home to West Meadows where friends and families will find them easy to access (we hope.) We also wanted the EIS to retain its 'Wow Factor' and appearing there every year diminishes this. Also, the cost of transport can be used elsewhere for other experiences in school.
