Friday 31st January 2020

Dear Families,  
 A very busy week in school where everyone has worked extremely hard, especially around School Improvement. I hosted a Leadership Review on Monday with senior staff from our Academy Trust. We have areas to strengthen of course although we received high praise for the amazing attitudes and behaviour of children in school. We are continuing to develop our curriculum and focus on early reading too. Very exciting times for the offer we provide to our #WonderfulCommunity.  
 Many thanks to Father Richard for visiting us and delivering a wonderful Assembly on Candlemas. His visits are enjoyed hugely by the children and he shares such deep and passionate knowledge.  
 Also, in terms of work in school, it is great to see the profile of science and history rising. Have a look at the website to catch up with exciting learning opportunities in school.  
 I have enclosed some information on the site TikTok for everyone. It is vital we stay safe online – please ensure ALL accounts are PRIVATE so that children are protected as much as we possibly can at all times.  
 Good luck to our footballers today in the latest league fixtures. These afternoons are always superb and I know there will be a huge amount of effort on show from the players. Thanks also to Miss Grange for her hard work in leading the team.  
 Please remember that Year 4 will be swimming from 26 Feb - an early reminder that this is compulsory (National Curriculum & Ofsted) and the children must have appropriate swim wear – this is outlined on the letter.  
 As ever, take care and enjoy the weekend. #AimHighSucceedBeHappy

We shall be using Parent Pay to sell items such as:

- Concert Tickets
- School Meals
- Trips
- Breakfast Club
- Clubs – no cost

There is **no longer a minimum amount** that can be deposited within Parent Pay. Should you require any help, Mr. Child is in school on Thursdays and Fridays to assist, Thank you.

## The Lion King

What a response! From wondering whether or not we could make this trip a reality – we've now ordered an extra coach! Many thanks to Mrs. O'loughlin for her sterling work. The visit will be open to Years 3, 4, 5 and 6 (next year's groups) and is selling quickly! So please, check Parent Pay and sign up for this amazing opportunity.

## Grange on Games - @WMPPrimarySport

Good luck to the football stars today in their latest league fixture. We are again hosting the games. Thank you to Mr. Smith for his hard work in preparing the pitch – it looks great. We also had a great meeting with Team Activ – we have registered for even more events and the calendar is full!

## Maestro On Music - @WMPPrimaryMusic

Go Go Go Mr. O!

Preparations for Joseph have begun! The children are working hard mastering the wonderful songs.

We are also getting ready for the Musical Extravaganza Evening in school. Letters have been distributed. Thank you for your help.
