Friday 25th September 2020

Dear Families,
Happy Friday yet again as September draws to a close - ALREADY! Time in school literally flies by and this week has been no different. Yet again, the children have been outstanding in all areas of school. I have been able to see the quality of their work through Twitter and our lovely website. Thank you to the staff for all of their hard work too. In such difficult times, school has felt reassuringly normal. We are of course one test away from major changes and so far we have been fortunate. I can reassure everyone that we are taking every possible step to remain 'COVID Secure.' This has included our Academy Trust purchasing Google Classroom for everyone. I have received training on this as has Mr. Child. We shall be training staff in the coming weeks and then of course the children. This will work to be completed at home and online using a Google account. Should classes or even school need to close then this will be how we intend to share, continue and develop learning. This is an exciting development and one which the children will love -technology is second nature to them!

Speaking of technology, we shall be holding Special Assembly electronically using Microsoft Teams in school. We are keeping the children in class bubbles so Assemblies have been out up until now. I look forward to seeing the Stars of the Week again.

French began for our Key Stage 2 pupils this week. I must congratulate Miss Boon as either live or via pre-recorded video, her sessions were excellent and have fired Mrs. Evans up in to sharing her Assemblies in school on a Wednesday through video link!

Please enjoy a very safe weekend and look after each other, especially our elderly neighbours. With Government changes it is important that we still factor them in to our routines and ensure that everyone knows someone is there to support them at all times.
