#AimHighSucceedBeHappy – www.westmeadows.org.uk

Dear Families,

I write to you from a chilly office but a beautiful morning. It has been an excellent week in school again where we have again managed to avoid mass disruption from COVID. I thank all of our parents, children and staff for their conduct at this time. I would like to invite families to wear face coverings or masks on school campus in the morning and at pick up time if you deem this appropriate. More members of staff are being seen in masks or face coverings at these times and if this helps to protect us all, then this has to be a good thing.

I must thank our Uniform Suppliers Vortex for their assistance in our Prizes for the Free School Meal Day special prize draw! Vortex have recently made available, house sweatshirts for PE day. They donated 5 of them as prizes in our contest; look out the winners will be announced as soon as the prizes arrive. To purchase a House Sweatshirt, visit the school uniform tab on our school website.

Across the classes, our Twitter pages have been full with exciting activities. Please look out for the Philosophy sessions in every class. The development of thinking is essential to maximising our children's potential. Mr. Smith and Mrs. Westwood are driving forward this key element to our school; the power of thinking and sharing ideas is really immeasurable.

We have taken further delivery of library books this week. I thank St. Mary's Academy Trust for their support in helping is with such a key area. Have a look at our School Website for regular updates on all things West Meadows; the curriculum section is really developing at a pace. Key Stage 2 children have been familiarising themselves with 'Google Classroom' – get them to show you what they've been up to as this will be the way in which homework & class work unite. Have a great weekend and stay safe everyone. Keep looking after each other during these strange times.

Attendance Matters
Many thanks to our lovely families who are supporting school so strongly through their child's attendance at present. We are achieving 'Above National' attendance figures. Something that we are very proud of, especially Mrs. Maree.

Maestro On Music

Remember Harvest will happen – it will be a video production this year edited by the Dream Team (more like Dream on!)
