Dear Families,
At this minute, no more COVID news to report! We are desperate to welcome Year 3 back to school on Monday. Thank you to Mrs. Walton, Mrs. Hannaghan and Mrs. Evans for preparing the work on Google Classroom and our families for supporting the children in their enforced time away from school. We can't wait to see you all!
The St. Mary's Academy Trust Christmas CD will be ready soon – this week as staff we added our contribution; fast forward over that one. Just joking as our staff showed not only are they hard working, dedicated and inspirational professionals but they can also play as a team, step back and have some fun – something in shorter supply at the moment. The children have been brilliant again this week as filming for our Christmas Films has begun. They are looking and sounding great. Remember, a Christmas Jumper is all they need and if they have outgrown last years, then I know Tesco have a good stock. Any spares from last year, please donate to school, it could help out another one of our lovely families. Please remember Christmas Cards are to be delivered in to school on a Monday. We will store them and give them out on Fridays. This allows more than the 72-hour incubation period.
Thank you to everyone for staying safe in and around school. Using the car park is far from ideal and this is why we have had the area remarked so clearly.
Well done to Years 2 and 6 who have worked so hard on their Assessments. I am proud of how hard the children have worked this term and again praise them and all staff for the huge effort taking place every day in school.
This week saw the death of a true icon, Diego Maradona. Of course, he broke my heart in 1986 with a rather contentious goal. He then scored the greatest goal of all time and to see a whole country in 3 days national mourning for a footballer is quite unique. He was a genius and having visited Naples in Italy, an area that had never achieved success in football, Maradona made a whole area's dreams come true. Truly unique! Watch the film this weekend.
Have a fabulous weekend and please keep safe.

Face Covering
Please stay vigilant with the face coverings in and around school. This is a worrying time and anything we can do to ease any anxieties is crucial in looking after everyone. Thank you.

Grange on Games - @WMPPrimarySport
As sad as we all are about the after school clubs being postponed, I must point out that the children have been sesnational in PE lessons. Many thanks to Mr. Ormondroyd too for his work with the younger children. Some excellent sessions have been spotted!
Maestro On Music
It has been lights, camera and action this week as we have been preparing for the Christmas Film and EYFS Production. We think both will be available via DVD; Mr. Wood is currently in negotiations with a production company so watch this space. I love the two renditions of Jingle Bells on our website this week. Have a listen!
