Dear Families,  
 A week with all classes in school has been brilliant. As I write this, I can hear EYFS 2 rehearsing their Nativity and wow – the magic of Christmas is alive even if it will be video based this year. School has been full of song, rehearsal and Mr. Ormondroyd stressing, so many parts of Christmas have remained the same.  
 This has been the week where COVID injections have been mooted. I am hopeful as a school, we may get chance to receive ours fairly early. The Year 6 Testing has been slimmed slightly but as the Government are keen to continue with most of the Key Stage 2 SATs, then we can surely hope for vaccine opportunities in the new year.  
 Many thanks to the staff in school for their hard work in decorating areas, producing cards and calendars. The staff here are a fantastic team of dedicated professionals. Since September, they have barely had a break in terms of day to day working. Separate bubbles mean ALL teachers have been doing playground duties and lunch duties every day and this has of course exhausted them on top of what is an incredibly demanding job. I salute the staff and happily state, I am very proud of them and feel privileged to have my special role.  
 I must also thank our families; attendance has been very strong. This reflects the trust we have in school and we do not take this lightly. It has been well earned and is something that humbles me. I firmly believe the care guidance and support for our lovely children is incredibly strong and this is a direct result of home and school working together in harmony. I hope you have a wonderful weekend and are enjoying the Advent Season with plenty of calendars, naughty elves and of course other traditional advent customs.
