Dear Families,
At last! This week has been absolutely wonderful as we have welcomed back our jewels in the West Meadows' Crown; our lovely children. They have been absolutely terrific and settled back in to school routine immaculately. Of course, some will have preferred to be at home, but the thrill of seeing friends again and playing and socialising has been obvious to us all. We have missed the children immeasurably and it has been a joy to be in school thanks to them.
Thank you to all of our families who have supported the children through remote work and Google Classrooms. It is NOT the same although I must praise our staff enormously for making the experience as positive as was possible. We shall continue with Google Classrooms for children isolating and also for homework purposes. It has improved communication between home and school, especially academically and is great preparation for Kirk Balk who also use the platform.
We have moved photograph day to the 26th April to enable haircuts post lockdown. Apologies for the change though I am sure you'll understand. We have also changed swimming from Year 4 to 5. No child will miss this essential part of their education.
I must mention our local stars at Barnsley FC as they are now on a 10 game unbeaten run. Premiership football would be great for the Town even if it is at my own team's expense! Lockdown has reminded me what is important however so I will cope! Have a lovely weekend, keep staying as safe as possible.

Grange on Games - @WMPPrimarySport

The children have been great upon return. As Mr. Wood has explained in a letter, Year 5 will go swimming in order to complete the block of lessons that they missed last year. Look out for after school clubs straight after the Easter Holiday.
