Dear Families,  
 To those in school and to those who are still remotely with us, happy new half term! And what a start to the new half term too! We are set to welcome back EVERYONE from March the 8<sup>th</sup> (about 10 sleeps) and we can not wait. We have missed everyone greatly although thanks to the hard work of everyone, through Google, through conversation and Twitter, we have managed to stay connected during another difficult time. The work of the staff has been brilliant as we have all tried our very very best to keep up the high standards of West Meadows over the internet and in to your homes. Staff have worked doubly hard, sometimes workload has even trebled, so they certainly deserve an enormous 'thank you' as these times will hopefully be confined to the history book and not be repeated ever again. I envisage a busy week next week and I am sure we will receive more guidance and of course an update to the Risk Assessment will be essential. Despite this, I anticipate school looking VERY much like September. Each class will be treated as a separate bubble, classes will eat separately and not play together at first. We are aiming to start Breakfast Club from Monday 8<sup>th</sup> March as this will support working parents and everyone's aim to return to normal ASAP.  
 Thanks as always to our wonderful cleaning team, led by Mr. Smith whose hard work has enabled us to stay open to limited children and kept us all very safe indeed to the best of their ability.  
 Have a lovely week and above all, stay as safe as possible.
