The Five Pillars of Islam are duties, which many Muslims carry out as the foundation of their Muslim life, and to live in a good and responsible way.

They play an important role in Islam, and carrying out the Five Pillars shows that Muslims put their faith before anything else.

Mecca is an important place to the Muslims. It is where Muhammad was born and the direction that Muslims face when they pray five times a day. Muslims are expected to make a pilgrimage to Mecca once in their lifetime.
