With the exception of chips, our food is cooked using oven baking and steaming methods. Where requested by schools an alternative to beef is available. Water is available each day. We use seasonal fruits & vegetables.

## How do I pay for a meal?

Payments can be made by our online system.  
(Parent Pay)

## How does my child select their food?

Meals should be ordered by the parent using Parent Pay and can be selected up to two weeks in advance. Each class has a copy of the school menus.

## How much does a school meal cost?

School meals are £2 per day = £10 per week

## The School Debt Policy

(A copy of the full policy can be found on the school's website)

### Debt Management Procedure - School Lunches

- Payment should always be made in advance of a lunch being taken.
- If a child orders a school meal and there is no money on the account, a text or phone call will be made requesting that payment is made ASAP. This will continue each day.
- If the debt reaches £6, a letter will be sent home with the child to ask parents to make payment immediately, or to arrange a meeting with the Head of School.
- Parents must send in a healthy packed lunch until the debt is paid, as no more school dinners will be provided and future dinners should be paid for in advance.
