

West Meadows Weekly

Follow us on twitter @WMPPrimary

I have to start this week's newsletter by thanking all of our Year 6 pupils and the staff who have worked with them this week and throughout this year. This week they have shown incredible resilience, hard work and positive attitudes towards all their assessments and everyone in school could not be prouder of them! We are looking forward to starting rehearsals with them in the coming weeks towards their end of year show!

Year 2 SATs Assessments:

Our Year 2 children will undertake their End of Key Stage assessments in the next two weeks. We keep these very informal so that the children feel they are doing a 'quiz' with the teacher in a small group rather than formal tests. We wish them all good luck – I am sure they will keep working hard like they have done all year.

'The Greatest Reader' Challenge:

We have had some fantastic extreme reading challenge photos posted on twitter this week and some wonderful photos of children reading with their siblings or enjoying a good bedtime book. Keep reading at home and posting your photos on twitter to earn points for yourself and your team – and don't forget to get your reading record signed!

Unique Me and Beyond:

Please come and join us on the 17th May from 8:45am for an information coffee morning where we will be inviting Forge Community Partnership in to talk about their course, Unique Me and Beyond and other adult courses the school and community could offer.

Email Addresses:

Could we please ask that if school does not have your current email address that you let the office know as we send out most school communications through email. Many thanks for your support with this.

Headlice:

We have had a number of cases of headlice in school. Could we ask parents to check their child/children's hair and treat them as necessary. Many thanks.
