Follow us on twitter @WMPPrimary

This week we start by congratulating Miss Grange for her hard work towards achieving the Gold Award School Games Mark for our commitment to the development of sports and sporting competition across schools. We are always incredibly proud of all our children who represent the school in competitive sport. Well done to Miss Grange and all the children! This week, Mrs Evans and Mr Mitchell also introduced our Anti-Bullying Ambassadors to the school in assembly and explained our new child friendly Anti-Bullying Policy. Our Ambassadors will help support all of our children in school.

## Jubilee Celebrations:

Please join us on Friday morning for tea and coffee and to kick off our jubilee celebrations with singing outside on the school grounds. Children can wear red, white and blue for the day. Could all children also bring a bottled drink for the day or a bottle of water for the picnic. Further details can be found in the separate letter that went out this week.

## SRE:

Next half term we will be looking at Relationships and Growing up. We will be using the correct scientific terminology for labelling the body parts. This is done for safeguarding reasons so that your child knows the correct terms for their body. There will be short videos, scenarios, group discussions and worksheets to consolidate their learning. Please see Mrs Evans or Mr Mitchell if you have any questions.

## Parking:

Could we please remind all parents collecting children by car to drive carefully and park sensibly around the school to ensure the safety of all the children and our families. Please do not park in front of or block the school gates. Many thanks for your support.

## Ukraine Appeal:

We are collecting tinned food, baby wipes and nappies for the ongoing Ukraine Appeal. Any donations of these are welcome in the box in Reception.
