9. Transferring Data Internationally

- 9.1 A small number of data processors used by the Trust and its schools are based outside the UK and so their processing of your personal data will involve a transfer of data outside the UK. These processors are predominantly applications and information systems used by the schools to further pupil's learning. Some UK based processors may also use sub-processors (such as cloud service providers) which are located outside of the UK.
- 9.2 Whenever we transfer your personal data out of the UK, the Trust will ensure a similar degree of protection is afforded to it by ensuring at least one of the following safeguards is implemented:
- A)** We will transfer your personal data to countries that have been deemed to provide an adequate level of protection for personal data by the European Commission or Secretary of State.
 - B)** Where we use certain service providers who are outside of the adequacy regime, we will use standard data protection clauses approved by the Secretary of State which give personal data the same protection it has in UK.

10. Our Legal Basis for Using This Data

- 10.1 We only collect and use your personal data when the law allows us to. Most commonly we process it where we need to:

 - To pursue a legitimate interest
- 10.3 Where we have obtained your consent to use pupils' personal data this consent can be withdrawn by you at any time. You can withdraw your consent in writing to the Headteacher. This will include for example – consent for photographs to be taken/displayed and how medical information is displayed.
- 10.4 Some of the reasons listed above for collecting and using pupils' personal data overlap and there may be several grounds which justify our use of this data.

11. Collecting this Information

- 11.1 While most of the information we collect about pupils is compulsory, there is some information that can be provided voluntarily.
- 11.2 Whenever we seek to collect information from you or your child, we make it clear whether providing it is compulsory or optional. If it is compulsory, we will explain the possible consequences of not complying.

- 12.3 The retention schedule is on the Trust's website.

- 13.5 We have a separate Subject Access Request policy which provides more detailed information of how to make a request, please ask for a copy from the school office.

13.6 Individuals also have the right for their personal information to be transmitted electronically to another organisation in certain circumstances.

13.7 If you would like to make a request, please contact our Data Protection Officer – Jo Hudson on 01226 282721 who will oversee the collation of this information by the school.

13.8 As a multi academy trust there is no automatic parental right of access to the education records we hold however as a Trust we will consider requests received and respond in a timely manner. We will only provide information to a parent about their child and not any comparison information against other pupils.
