

1 Teaching

- High quality phonics through delivery of and fidelity to Read, Write Inc Programme to ensure that all of our children become fluent readers:
 - Investment in programme and resources
 - Investment in books
 - Investment in continued professional development for staff
 - Weekly release time for Early Reading Lead to enable coaching and weekly practice sessions
- To develop high quality teaching of mathematics across school:
 - Continued professional development for all staff
 - Mathematics leader release time for staff development
 - Investment in high quality resource
- Improve language and communication:
 - Language Link programme
 - P4C
 - Early Years CPD

2 Targeted academic support

- F2 and Year 4 focused teaching due to vulnerability of this cohort
- Additional one to one phonics teaching for the bottom 20% across F2 to Year 3
- Targeted Year 6 support due to 50% Pupil Premium in this cohort

3 Wider strategies

- Opportunities for development of the arts and wider cultural experiences, including to raise aspirations by exposing pupils to increased experiences, opportunities and possibilities
- Increase attendance and reduce lateness and persistent absenteeism
